

Declaration of Our Non-Obedience to the Government for the Sake of Welfare of the Rest of Humanity

We the undersigned, Olga Klimova and Viatcheslav Klimov, regard it as duty to ourselves, to the cause which we love, to the country in which we live, to publish a declaration expressive of the purposes we aim to accomplish and the measures we shall adopt to carry forward **the work of peaceful universal reformation**, work that was started by William Lloyd Garrison, Henry David Thoreau, Leo Tolstoy and millions of other greatest people of this world.

After careful examination of the facts, **we have collected numerous evidences of atrocities of the Government committing TREASON against people** which include:

1. **Indoctrination of children at schools**, including:
 - a. **Teaching subservience and blind obedience to “authority”** instead of providing quality knowledge in reading, writing, mathematics, and other academic fields of thought.
 - b. **Hiding the reality** and misleading with falsehoods. In particular, hiding that **our Earth is Flat**, not a Globe, to help government to maintain the support base for the money laundering scheme based on non-existent “space travel” (we attach proves below).
 - c. **Inspiring sexual perversion** ideas in children from early ages.
 - d. **Destroying morality** in children, breaking trust in families and scarring them forever.
 - e. **Instilling crude patriotism, which is immoral** as it is intended against the rest of humanity, seeds separation and hatred between nations, un-Godly, and sinful.
2. Brainwashing people over corrupt and unethical **government-financed media** which
 - a. Spreads lies, generates **hoaxes and false events** while presenting them as true happenings.
 - b. Devises schemes to constantly **divide people against each other**, keeping the society in a constant war of everyone against everyone.
 - c. **Perverts morality** and confuses people.
 - d. Increases people’s sufferings while sneering at ever **increasing mental disorders and suicides**.
 - e. Instilling ideas of the **double standards** in the public’s minds, - whether it comes to the use of a court of “law” or use of physical force. For example, numerous “law enforcers” are caught on films brutally assaulting unarmed, innocent persons.
3. Brainwashing people via **government-supported churches**, - actually misleading people
 - a. **By instilling fears and superstitions**,
 - b. **By instilling pride, arrogance**, and over-confidence in mere “faith”, misleading from works of self-improvement and help to others,
 - c. **By use of hypnosis and other mind control tactics**,
 - d. **By hiding the true God** from people.
4. **Applying coercive tax collection by force** tactics, with no consent from people, and then wasting tax-paid money for numerous nonsensical causes. Numerous examples of corruption in the government is even broadcasted by the same government every day, as an insult to people!
5. Presenting man-made flawed **“legal” system as a valid “authority”**

- a. Devising always changing **perverted “laws”**,
- b. **Coercing people to use these “laws”** in place of rightful moral choices dictated by Consciousness,
- c. **Maintaining a web of “law enforcers” against people.**
6. **Claiming ownership over large lands** where people have their houses, and keeping other lands reserved by a small criminal group of “politicians” or so called “royal” imposters.
7. Leading practices to **undermine people’s health**, both physical and mental through:
 - a. **Drunkenness**, via encouragement of use of alcohol and narcotics.
 - b. **Chemtrails**, by pouring chemicals over people’s heads from airplanes, every day now in huge amounts.
 - c. Supporting monopolies such as large manufacturers Monsanto and Bayer **devising chemicals to destroy public health and to dumb people**, as well as to control the food sources, utilizing “revolving doors” practices between politicians and corporate “elites”.
 - d. Various **poisonous vaccination programs made mandatory** or deceitfully persuasive.
 - e. **Public water fluoridation**, causing cancers and brain damages.
 - f. Projects like building wells in multiple areas under an excuse of “controlling the water quality”, in fact **compromising the purity of the underground waters**.
 - g. **Obstructing population’s access to healthy food sources**, “criminalizing” private food production and trade like chicken meat and raw milk!
8. **Murdering people by use of armies and wars**
 - a. **Committing cruelty against other nations.**
 - b. **Perverting morality of young soldiers** which end up being deeply emotionally traumatized, confirmed by the high rate of suicides among them.

We know the government’s agenda – to install even a stronger grasp of control over humanity, to build a world-wide dominating state to enslave all people by a small group of imposters, and the tactics are:

- To exhaust the humanity with dissention, hatred, lies, division,
- To withdraw leftovers of freedom of speech,
- To establish complete mind control and domination.

We recognize now that **any government by definition is evil, unholy, and based on fear and lies, it each every tactic is designed to dominate over people.** People do not need governments. **And so we do not acknowledge allegiance to any human government.** We recognize the only God as the King and Lawgiver, one Judge and Ruler of mankind. **Our country is the world, our countrymen are all mankind.** We love the land we live in only as we love all other lands. The interests and rights of Canadian citizens are not dearer to us than those of the whole human race. Hence **we can allow no appeal to patriotism** to revenge any national insult or injury. The dogma that all the governments of the world are justified and approvingly ordained of God, and that the powers that be in Canada, in the United States, in Russia, in Turkey, are in accordance with his will, is no less absurd than impious. It makes the impartial Author of our existence unequal and tyrannical.

We conceive that **a nation has no right to defend itself** against foreign enemies or to punish its invaders, **as no individual possesses that right** in his own case, and the unit cannot be of greater importance than the aggregate.

We regard as unlawful and unchristian not only all wars, whether offensive or defensive, but all preparations for war; every naval ship, every arsenal, every fortification, we regard as unchristian and unlawful; **the existence of any kind of standing army,** all military chieftains, **all monuments commemorative of victory** over a fallen foe, all trophies won in battle, **all celebrations in honor of military exploits,** all appropriations for defense by arms; **we regard as unlawful and unchristian every edict of government requiring of its subjects military service.** We also know that **the gigantic military machine,** and all of the war games it has engaged in, rather than providing a shred of real protection for the citizens, is what **created most existing foreign threats,** and what is used as **the excuse to justify the oppression of the citizens by their own “government,”** via the Orwellian-named “Patriot Act,” among other things.

Hence we deem it unlawful to bear arms, and we cannot hold any office which imposes on its incumbent the obligation to compel men to do right on pain of imprisonment or death. We therefore voluntarily exclude ourselves from every legislative and judicial body, and repudiate all human politics, worldly honors, and stations of authority. **If we cannot occupy a seat in the legislature or on the bench, neither can we elect others to act as our substitutes in any such capacity.** It follows that **we cannot sue any man at law to force** him to return anything he may have wrongly taken from us; if he has seized our coat, we shall surrender him our cloak also rather than subject him to punishment. We must all understand that only when **conscience outranks “authority,”** then each person owns himself, and each must always follow his own judgment of right and wrong, no matter what any self-proclaimed “authority” or “law” may command. There cannot be a “gradual shift” between the two, nor can there be a compromise.

The history of mankind is crowded with evidences proving that **physical coercion is not adapted to moral regeneration,** and that the sinful dispositions of men can be subdued only by love; that **evil can be exterminated only by good;** that it is not safe to rely upon the strength of an arm to preserve us from harm; that there is great security in being gentle, long-suffering, and abundant in mercy; that it is only the meek who shall inherit the earth; for those who take up the sword shall perish by the sword. Hence as a measure of sound policy - of safety to property, life, and liberty--of public quietude and private enjoyment - as well as on the ground of allegiance to God who is King of kings and Lord of lords, **we cordially adopt the non-resistance principle,** being confident that it provides for all possible consequences, is armed with omnipotent power, and must ultimately triumph over every assailing force. **We advocate no Jacobinical doctrines used by the Government.** The spirit of Jacobinism is the spirit of retaliation, violence, and murder. It neither fears God nor regards man. **We would be filled with the spirit of love.** We will abide evil by our fundamental principle of not opposing evil by evil, so we cannot participate in sedition, or violence.

But while we shall adhere to the doctrine of non-resistance and passive submission to enemies, **we purpose, in a moral and spiritual sense, to assail iniquity in high places and in low places,** to apply our principles to all existing evil, political, legal, and ecclesiastical institutions, and to hasten the time when the kingdoms of this world will have become the kingdom of God. Having thus stated our principles, we proceed to specify the **measures we plan to adopt in carrying our object into effect:**

1. **We shall not follow the government’s orders and man-made “laws”** as they contradict universal God-inspired morals, rights, and freedoms. Therefore, we will not be supporting

Government financially by paying any taxes or donations, nor providing any other support for the Government services, nor following legal system which is fraudulent and inhumane.

2. **We shall endeavor to promulgate our views among all persons**, nations, sects, and grades of society we can reach. Hence we will circulate publications and educational videos, organize public lectures online and in person, and petition every governing body. **It will be our leading object to devise ways and means for effecting a radical change in the views**, feelings, and practices of society respecting the sinfulness of war and the treatment of enemies, and indoctrinated in believing in the right of existence of “authority” such as government.

We don't doubt that a cautious reader, raised in atmosphere of instilled by government trust to its structures - via schools, churches, and media, - **will feel an urge to disregard our claims and rescue to his/her comfort zone of virtual reality**. Before you reject the facts we have presented here, we ask you to have courage to explore the issues deeper. We welcome you to an open and fair methodical discussion with us, where we can give you a presentation and address **your use of serious arguments** instead of so-common blatant blame in incompetence.

In entering upon the great work before us, we are not unmindful that in its **prosecution we may be called to test our sincerity** even as in a fiery ordeal. It may subject us to insult, outrage, suffering, yea, even death itself. We anticipate no small amount of misconception, misrepresentation, and calumny. Tumults may arise against us. The proud and pharisaical, the ambitious and tyrannical, principalities and powers, may combine to crush us. So they treated the Christ whose example we are humbly striving to imitate. We shall not be afraid of their terror. Our confidence is in the God's Spirit in Each of Us, and we must pass the test and fulfil the purpose God entrusted in us. Having withdrawn from human protection, what can sustain us but that faith which overcomes the world? We shall not think it strange concerning the fiery trial which is to try us, but rejoice inasmuch as we are partakers of sufferings of Christ and millions of other progressive and freethinkers who martyred themselves for the rest of humanity.

So **we are willing to bring ourselves as victims of the corrupt system**, - to open eyes of humanity on the government's atrocities. Whether you decide to confiscate our property, abduct/imprison us, or kill us – let be it! But we have to do everything to **stop support and funding of your enterprises**. We will be documenting each step in this process, which we hope will provide the humanity with **more proofs of your barbarianism!** As a result, anybody, who is still brainwashed to see some merits of a government, will hardly believe these lies after all.

Wherefore **we commit the keeping of our souls to God**. And everyone else that similarly forsakes houses, or brethren, or sisters, or father, or mother, or wife, or children, or lands for God's sake, shall receive a hundredfold, and shall inherit everlasting life.

Firmly relying upon the certain and universal triumph of the sentiments contained in this declaration, however formidable may be the opposition arrayed against them, we hereby affix our signatures to it; commending it to the reason and conscience of mankind, and resolving, in the strength of God, to calmly and meekly abide the issue.

And remember, **you – the exact person who reads this right now – is personally responsible for the choices you make.** Just as at the Nuremberg trials, **“just following orders” was not accepted as a valid excuse** for what the Nazis did, so that typical response - from soldiers, police, tax collectors, bureaucrats, and other representatives of “authority” - will not be valid whenever the morality of their behavior is questioned, and you’ll be ultimately responsible for it in front of God.

Appendix 3. Proofs That the Earth Is Flat

Regardless of what we all have been taught at school, the earth we live in is not a Globe but a flat plane. It is easy to prove this giant conspiracy committed against our minds when you open your eyes, start trusting your logical mind, and put some simple experiments yourself.

Below are just few easy-to-prove facts:

1. Feeling that **we are not flying** neither with so called the orbital speed of 107,200 km/h (=66,600 mph) not with equatorial rotation velocity 1,674.4 km/h (=1,040.4 mph). This one is simple to feel - every driver would know the difference between driving 5 km/hr and 100 km/hr, would it? Would you not feel wind of moving with hundreds of thousands km/hr? And how clouds would catch up with this movement?
2. Realizing the **water level is always flat**, and this physical property of water is the basis for most measuring instruments used everywhere. But if Earth was a Globe, water in the oceans would have to curve somewhere. This is impossible, based on the properties of water which always

tends to level itself. This proves that the Earth cannot be curved, as dictated by the Globe model.

3. Realizing the **water cannot be magnetized** (no “gravity” can hold water – as no one museum in the world was able to demonstrate a magnet ball-model of the earth being able to hold water from all sides)

4. With simple knowledge of elementary geometry, knowing the radius of Earth, it’s easy to **calculate for any distance on the surface of Earth what drop would it cause below “horizon” line**, making objects invisible.

To see for yourself that there is no curvature, it’s enough to go to Hamilton shore and look at Toronto downtown buildings over the Lake Ontario. The distance from Hamilton to Toronto is ~50 km. This distance, if Earth was a ball, would give a drop below “horizon” line in 200 meters down, causing all buildings in downtown to disappear from sight, except top half of CN Tower.

But the experiment shows all buildings in Toronto, from ground up, are visible from Hamilton. Which proves there’s not curvature and the earth is indeed flat.

5. Engineers confirm that all **bridges and canals are built without corrections to “curvature”**, i.e. flat straight.
6. Numerous examples of passenger **aircrafts emergency landings** have shown that actual routes between continents (especially noticed between South America and South Africa or Australia) go across North Pole, which is contrary to the idea of nearest route on the Globe model. See our video Flat Earth Conspiracy Confirmation from Flight Stats Company: youtu.be/ADGS4Dhe5N4.

7. **Antarctica is “arrested” by militaries** for the reason that they don’t want people to see that there is no South Pole and instead South continent has shape of a circumference around flat Earth.
8. **No one ever was able to travel around the Earth crossing North and South “poles”** – because this is impossible, and south “pole” does not exist.
9. **Compass is only capable of reliably pointing north**, not south, as the south point of the compass shifts round to all parts of the circular boundary, because south is being a circumference and doesn’t have a center to be pointed to. This proves that Earth is not a globe but a plane.

There are hundreds of more proofs of this giant conspiracy committed against our minds.

Appendix 5. Hoaxes and False Flag Events Produced by the Government

“A HOAX is a deliberately fabricated falsehood made to masquerade as the truth. During the 20th century, the HOAX found a mass market. A HOAX is created with deliberate creation of falsehood and conscious attempt to deceive. A FRAUD is classified as a HOAX when its method of acquiring financial gain creates a broad public impact or captures the imagination of the masses. Governments spread false information to facilitate their objectives, such as going to war; also called propaganda or disinformation.” from Wikipedia.

Numerous companies are now created which supply role-play actors – they are used by the **Government to make hoaxes of real events**, for example the following events were the HOAXES:

- Sandy Hook school shooting,
- San Bernardino attack,
- Virginia Tech shooting,
- Orlando nightclub shooting, 2016,
- Boston bombing,
- Hoax of Jennifer Neville-Lake’s three children being killed by Marco Muzzo in a car accident in Ontario, Canada, 2015,
- Fort McMurray Wildfire in Alberta, Canada, 2016,
- Quebec mosque shooting in Canada, 2017,
- And many other events broadcasted almost every day by the Media, coded with “numerology” signs and other evidences of them being fraudulent events.
